Amendments to the Claims and Listing of Claims

---

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application.

Claim 20 has been cancelled in the interest of expediting the prosecution of this application. More specifically, applicant submits that the cancelled claim may in fact recite patentable subject matter, but applicant has chosen to cancel this claim in the interest of procedural economy. Applicant reserves the right to further prosecute this cancelled claim in a continuation or divisional of this application, and no presumption or conclusion of applicant's intentions should be drawn based on the cancellation of this claim in this application.

**Listing of Claims:**

Claim 1 (CURRENTLY AMENDED) A contraceptive prophylactic condom effective to prevent the transmission of seminal fluid during sexual intercourse and/or fellatio, comprising a closed end and an open end opposite the closed end, an intermediary portion between said ends ~~generally in a frusto-conical shape and/or~~ mimicking the size and shape of a glans penis of the male sex organ, wherein the open end forms a circumferential leak proof enclosure of its ~~periphery~~ periphery about the glans penis portion at a position above the sulcus, and wherein said condom contains a securing means effective to maintain a non-movable position on the glans penis during intercourse or fellatio.

Claim 2 (CURRENTLY AMENDED) The condom of claim 1, ~~further~~ further comprising a seminal fluid receiving receptacle on the closed end.

Claim 3 (ORIGINAL) The condom of claim 1, which is composed of an impervious material.

Claim 4 (ORIGINAL) The condom of claim 1, which is composed of a colored material.

Claim 5 (ORIGINAL) The condom of claim 1, which further comprises a flavoring means.

Claim 6 (ORIGINAL) The condom of claim 1, which further comprises means for delivery of a substance selected from aspirin or analgesics, vitamins, neutraceuticals, antacid, breath enhancers, nicotine, caffeine and stimulants and/or any combination thereof.

Claim 7 (ORIGINAL) The condom of claim 1, wherein said securing means is an adhesive means.

Claim 8 (ORIGINAL) The condom of claim 7, wherein the adhesive means is a medical adhesive.

Claim 9 (ORIGINAL) The condom of claim 7, wherein the adhesive means is a pressure sensitive adhesive.

Claim 10 (ORIGINAL) The condom of claim 7, wherein the adhesive means is virucidal.

Claim 11 (ORIGINAL) The compound of claim 7, wherein the adhesive means is bactericidal.

Claim 12 (ORIGINAL) The compound of claim 7, wherein the adhesive means is spermicidal.

Amendments to the Claims and Listing of Claims -- Continued

---

Claim 13 (ORIGINAL) The compound of claim 7, wherein the adhesive means is a an organic substance.

Claim 14 (ORIGINAL) The compound of claim 7, wherein the adhesive means is mycocidal or effective against myocardial infarction.

Claim 15 (ORIGINAL) The compound of claim 7, wherein the adhesive means is hypoallergenic.

Claim 16 (ORIGINAL) The compound of claim 1, wherein said condom is manufactured from the group consisting of rubber, latex, polyurethane, polyisoprene, plastic, a composite plastic composition, an animal product, cloth and any combination thereof.

Claim 17 (CURRENTLY AMENDED) The condom of claim 7, further comprising an elastomeric band around the periphery of the ~~closed~~ open end and effective to form a leak-proof annular seal around the circumference of a portion of the glans penis above the sulcus of a male sex organ.

Claim 18 (CURRENTLY AMENDED) The condom of claim 1, wherein said securing means comprised an elastomeric band around the periphery of the ~~closed~~ open end and effective to form a circumference of a portion of the glans penis above the sulcus of a male sex organ.

Claim 19 (ORIGINAL) The condom of claim 1, wherein said condom is made of an absorbent material.

Claim 20 (CANCELLED)

Claim 21 (NEW) The condom of claim 1, further comprising an elastomeric band around the periphery of the open end and which fits snugly around and under at least a portion of the lip on the head of the penis and wherein said portion is juxtaposed to a portion which is not covered.
